Ford New Zealand backs the next generation of Kiwi Racers.

The New Zealand Formula Ford Championship (NZFF) returns for 2027, with Ford New Zealand once again supporting the category that has helped launch some of the country's biggest motorsport names.

The New Zealand Formula Ford Championship is New Zealand's premier junior single-seater racing championship and has been the country's most important stepping stone for aspiring professional racing drivers since its inception in 1971. It is officially recognised by MotorSport New Zealand and is regarded as one of the strongest Formula Ford championships in the world.

Ford New Zealand returned as a key sponsor of the championship this year, reinforcing its commitment to grassroots motorsport and supporting the development of the next generation of Kiwi racing talent. The partnership continues into 2027, with Ford New Zealand once again backing the championship.

The Championship exists to develop young drivers with affordable cars, equal machinery and now offers a clear pathway to Europe

thanks to Rodin Cars heavily investing in the Formula Ford to Formula One program.

The cars are powered by a 1600cc Ford crossflow Kent engine which develops around 115HP with a 4-speed transaxle gearbox, and weigh just 510kg.

No aerodynamics are offered in these cars, which makes the driver a key component of the package.

NZFF has produced stars like Liam Lawson, Shane van Gisbergen, Scott Dixon, Mitch Evans, Brendon Hartley, Andre Heimgartner, Greg Murphy and more. Join us in 2027 season.
